INTRODUCING MISS ALISHA

We are delighted that Alisha Almond has joined our teaching staff this season. Alisha is no stranger to CDA. She began her early training with us in the basement of the old studio (Pegge Lee School of Dance). Since then she has trained at various studios in the Charlotte Metro area. Miss Alisha has danced professionally with Kinetyx Education Dance Ensemble and the Gaston Dance Theatre. She has taught classes on all levels from Creative Movement to Advanced Classical Ballet, Pointe, and Modern in both the Lake Norman area and at the Gaston Dance Theatre. Miss Alisha is married and resides in Concord. We

hope that you will make her feel at home as she renews her relationship with our dance family!

We are also proud that our studio received licensing for the Angelina Ballerina Dance Academy. This new ballet curriculum uses the beloved storybook character to teach correct ballet terminology, dance skills & technique, songs, and dances, all in a structured program for our young dancers.

Our staff are enjoying sharing the new moves and teaching techniques they learned this summer. Our teachers took some time to continue their own dance

education—Miss Jayme, Miss Lisa, Miss Lauren, and Miss Ashley all studied at the Dance Makers Convention in Myrtle Beach. Miss Laurie, Miss Missy, and Miss Jennifer took classes at the Dance Teacher Summit in NYC.

Miss Maureen enjoyed a fun summer touring Ireland with her Mom, but took time out to teach one of our Intensives this summer.

We are often asked about our enrollment. We opened this season with EXACTLY the same numbers we had last season! We are thankful for that blessing. Ballet is by far our most popular discipline, with Hip Hop gaining each year!

“It’s in the Handbook”

This is the response to so many of the questions that come our way. While we know the handbook cannot possibly answer ALL of your questions, it does contain a wealth of information such as:

- “How much is tuition?”
- “Are we having dance today?”
- “When is the dance recital?”
- “How much are costumes?”
- “What if I want to withdraw?”
- “Which classes can wear skirts?”

The handbook is posted online as a convenience to you. We also have hard copies in the office if you want a printed one.
