## **Welcome to Cabarrus Dance Academy!**

This handbook will serve as your guide to Cabarrus Dance Academy and its philosophy of dance education.

We take our roles as a mentors and teachers in your child's life very seriously. It is our objective to inspire a passion for the art of dance in every child who passes through our doors. In the process, we strive to set the right example and help your child (and you) create memories that will last a lifetime.

## **Philosophy**

Cabarrus Dance Academy exists to serve God and the community. The school is committed to providing high-quality dance classes to enhance the overall development of the child. We provide a safe and child-centered environment to encourage our students to explore dance with qualified, nurturing teachers.

We believe that dance training encourages young people to develop a positive self-image as they increase awareness of their physical being. Along with improving coordination skills and developing muscular awareness, dance classes give children the freedom to express themselves through movement.

The highest educational standards are expected from all Cabarrus Dance Academy faculty members. They are lifelong learners who continue to educate themselves through certification programs, teacher-training schools, conferences, and other learning opportunities.

## **History**

The school began as Peggé Lee School of Dance in the fall of 1946, under the direction of Peggé Lee Haywood. It was located downtown Concord, and moved to the basement of her home on Glendale Avenue. In 1970, the school moved to the basement of Haywood Richmond Hardware on Davidson Drive. "Miss Peggé" directed the school for three generations and sold the school when she retired in 1986 to Tammy Jordan. "Miss Tammy" was a former student and faculty member of the school. She took a giant leap of faith in 2007, moving into a new facility, and changing the name of the school – a marketing strategy that has taken the school to new heights! The fourth generation of dancers enrolled in the school in the fall of 2010!

## **ABOUT THIS HANDBOOK**

FOR MORE THAN 68 years our school has been a leader in dance education. We believe that our success comes as a result of providing solid training and quality service, as well as our underlying belief in the strength of our organization. We have created this handbook to offer our students and their parents a clear understanding of their commitments and responsibility to the school.

## **Class Placement**

Placement decisions are derived from many years of teaching experience. Often a child is placed in a particular group or class where he or she will feel confident, in order to promote the development of self-esteem. Some students who are placed in a higher level become discouraged, only to lose their passion for dance. Others respond to the challenge of being in a class with students who are more proficient by pushing themselves to work harder. Placement is highly individual and the factors that go into the decision are complex.

Children learn important lessons from their teachers and parents, acquiring behavior patterns through their example. Our school's faculty takes that responsibility seriously. It's our philosophy to encourage our students to feel, think, and act respectfully toward their peers, the adults in their lives, and themselves.

If you have questions or concerns about your child's dance education (such as progress or class placement), please discuss them with your child's teacher or the director. Talking only to other parents can lead to misinformation and confusion. Please contact the school office to set up an appointment; do not approach your child's teacher or the director between or during classes or make contact outside of the school.

If you do request a conference, please listen carefully to what your child's teachers have to say. They spend a significant amount of time with your child and offer expertise in the field of dance education.

## **STAYING INFORMED**

We work hard to make the dance experience organized and fun. Keeping you informed is one of our primary goals. We are constantly updating our website. News, important parent and student information, contact information, and more are available online 24 hours a day. This handbook contains a wealth of information about the school. A RECITAL HANDBOOK will be available to parents for the performance season.

#### **Recital FAQ - A complete recital handbook will be available later in the dance season**

*Are dancers required to participate in the recital?* No

*Will my child's attendance effect her/his ability to participate?* Yes! Dancers whose attendance falls below 50% may not be allowed to perform in the dance recital, regardless whether a recital costume has been ordered..

*Who picks out the costumes?* The faculty is given the choice of picking out a costume for the class. The costume must not exceed the price quoted above and must be approved by the director. The staff will measure each performer and order a costume in the size that "best" matches the measurements of the child. The costumes are not custom made to fit. Parents are responsible for alterations.

*Who are the Lee-ettes?* The Lee-ettes are high school tap line who are chosen by audition. The Lee-ettes have specific attendance requirements outlined in the audition agreement. The Lee-ettes open and close the recital each year, as well as perform at the Christmas Ballet. They are named after the school's founder, Pegge Lee Haywood, who directed the school until 1986.

*When is the Dress Rehearsal?* Rehearsals will be on Sunday May 27, and Friday, May 16, 2014. A rehearsal schedule will be announced in April as to which groups rehearse on what days. Most dancers will be required to come to only one rehearsal day.
