### Carolina Dance Masters Convention

Our more experienced dancers will have the opportunity to study at the statewide Carolina Dance Masters convention in Greensboro next month. This is an educational weekend where our students can take classes with guest teachers from all areas of the dance world. Some of the instructors teach on college campuses, while others train dancers at renowned schools across the nation. Information and requirements for the dance convention are on our website. The deadline to register for the convention is October 12.

### Label Your Shoes!

Each week we encounter lost dance shoes with no name inside. Labeling your child's shoes will help us to return lost ones to the rightful owner. Names on dance bags are helpful too! Protect your investment and label your shoes! We already have a collection of shoes, shirts, sweaters, etc..

### Anatomy of a Dancer

A dancers' heart beats in eight-count  
A dancer's eyes always shine  
A dancer's soul is filled with music  
So their feet always fall in time.  
A dancer feels like no other  
The vibrant rhythm of life  
And it all goes in the performance, all the joy and all the strife  
So remember that with dancers  
A little patience is what you need  
Because their minds are otherwise engaged  
Dancers are truly a different breed!
